

Island West has a very active Social Committee made up of residents that work together to make living in our community fun and enjoyable for all ages. This most active of all the IW committees plans and implements such things as a Cinco De Mayo Pool Party for all residents, Music Bingo for adults, 4<sup>th</sup> of July decorated bike parade, an Easter egg hunt for kids and their parents, wine tastings and many more fun and educational events.

Living in Island West is even more enjoyable thanks to this committee's efforts!
