RE: Amenity Reminders

Please remember during these troubled COVID-19 times that we are still working with temporary pool guidelines. **NO** outside guests are permitted at the pool, the fitness room or at the other amenities until further notice. Also, please do not open the pool gate if you do not recognize the people trying to enter the pool deck. Please remember that if you drive to the pool, to make sure your vehicle has the Island West gate sticker or at least an Island West hang tag (family in town should use the hangtag to avoid confusion). Hangtags can be picked up at IMC's Bluffton office (181 Bluffton Road C-103). Users of the amenities may be subject to residency validation by the security team, so it is best to have ID with you. Please remember the following guidelines:

- All amenities are used at your own risk.
- For the time being, no guests are allowed – owners and fulltime renters only.
- The tennis courts will be confined to those playing and social distancing should be maintained.
- No more than 3 persons allowed on the basketball/pickleball court unless from the same family.
- Please wipe down playground equipment before and after use and maintain social distancing.
- Chairs on the pool deck will be placed 6' apart and must not be moved.
- Persons using the pool or gym must supply their own sanitizer and must wipe down all equipment and pool deck furniture before and after every use.
- These guidelines are self-policing.

Thank you for your continued cooperation in this important matter.
