

OFF-ISLAND: BLUFFTON

ISLAND WEST GOLF CLUB

Designed by Clyde Johnston and popular PGA Tour star Fuzzy Zoeller, Island West is a course built around natural marshland and flows through a rolling, tree-lined layout. As one would imagine a course with Zoeller's fingerprints, Island West was built for fun. In fact, there is no shortage of opportunities for one to pull of the "wow" shot. Water comes in to play on 10 holes, putting a premium on tee shots. Johnston and Zoeller's signature feature is the par-three 8th and 17th holes that play over the same lake to a large double green. Island West is just 15 minutes off Hilton Head Island in Bluffton, and is a must play when visiting the area.
