

ISLAND WEST GATE ACCESS INSTRUCTIONS

1. Guests should locate the **Island West resident's name** in the directory and press the button next to the resident's name.
This method also works for Island West residents entering the community themselves.
2. Pressing the button will place a call to the phone number the resident previously provided to **IMC Resort Services**.
To update this phone number, please contact IMC Resort Services.
3. When the Island West resident answers the call, **press 9** on the phone keypad to initiate the gate opening.

Caller ID Information

If an Island West resident would like to save the gate system's phone number for caller ID recognition, the console number is:

 **843-227-9372**
